Questions We Still Have to Answer ...

- Since we can no longer depend on biological growth, where will new members come from?
- Since less than 15% attend worship on a weekend (and that's when the church is open!!), what will replace marketing?
- Since trust in institutions, authority figures, and especially the church is at an all time low, how can we rebuild trust? (Or *can* we rebuild trust?)
- Since "no one" wants to go to church anymore, how can we be faithful to the Great Commission?

Step By Step Guide to Church Growth Tomorrow

- Disciple your leadership ... train: *stop teaching*
- Create something worth coming to
- Get out of the church building ... and this begins with the pastor and staff
- Build intentional relationships with Dones, Nones, and Otherwise Wons
- Be a witness ... share what you've experienced or what you've "seen"
- Get them into a discipleship process
- Repeat ...
